Ms. Moon,

Thanks so much for the accommodation
for the change in my supervisor. However,
please know that I am still sitting in
the Department of Corrections. Stradford and
he continues to harass me. I am
requesting that you please speak with
Mr. Wynter, my new supervisor regarding
moving me to a space outside of Mr.
Stradford's department. This whole situation
has made me feel a million miles away.
I would appreciate anything you can
do on my behalf. Attached please find
sample of repeated requests for a move.

Thanks and be well,

Dawn L. Littlejohn
